Oasis Membership

The Oasis is chartered as a Public Charitable organization; therefore, we provide services and activities to all people without discrimination and/or affiliation through membership. **However, membership is a key component to our very existence and the pursuit of grants.** Membership is the benchmark most grants used as a gauge of community support for our organization.

Dues not only help us print and mail the newsletter to you it also is an avenue to buy supplies, pay for utilities, building repairs, etc. The cost to administer programs and operations, like so many businesses and yourselves, has increased.

Did you know?

The Oasis receives funding every year from the Logan County Senior Levy United Way and Area Aging Agency. Some money comes from local business for specific projects. (Example: Dishwasher) We are dependent on contributions, donations and membership.

Please consider helping the Oasis, the community of Logan County, and the individuals who call the Oasis their home. The form on page 19 allows you to increase your donation level beyond membership fee.

You will receive discounts on many of the activities at the Oasis, in 2023 all program & activity fees will have a Member fee and Non-Member fee.

The Oasis has switched to a new member tracking system, so please make sure you complete **all fields on the new form, regardless of your past forms submissions.**

- ♦ Dues are **\$25.00** per calendar year - January 1, 2024 through December 31, 2024
- ♦ Please submit this form no later than January 31, 2024.
- ♦ The nominal membership fees assists in paying for 4 issues (quarterly) of newsletters (printing & mailing), along with providing programs & services for seniors.
- ♦ Memberships Dues not received on or before January 31, 2024 will neither receive further issues of the newsletter in 2023 nor be eligible for discounts for activities & trips.
- ♦ **Century Club**—please also fill this form out in it's entirety, so that we can ensure our systems reflects correct information.

Winter is coming...

Inclement Weather

The cold weather season will soon be upon us, and when the forecast turns snowy (or icy), we understand that you want to know as soon as possible if the Oasis Senior Center will be closed. Closing the center is not something we do lightly. Ultimately safety comes first: members safety, and our staff. We try to make the decision as early as possible, however, weather is unpredictable – sometimes we need to monitor weather conditions longer, to make the best possible decision. Sometimes the snow plows cannot get to our parking lot before 9AM. If the weather is getting bad—please remember to check the Oasis Facebook page for center closures!

Please use your best judgement when venturing outside and attending appointments or activities.
